'World Earth Day' Celebration

Students Notice

Date: 20/04/2023

All students are informed that World Earth Day is being celebrated by the Department of Geography. Department of Geography has organised various activities to celebrate 'World Earth Day' is celebrated on 22 April 2023. Each year in our college to spread awareness about conserving earth. Earth Day is a celebration of the earth and our environment. The Department of the Geography the importance of protecting and sustaining the natural Environment. Department of Geography students and all BA, BCOM, BBA (CA), BVOC students studying Environmental Awareness in second year should participate in these activities.

1) Planting using wild flowers and native plants:

24/04/2023- Time (10.30 to 11.30 am)

Vitthal Mandir Premises, Aundh.

Wildflowers and native species are not only beautiful, but also attract native and beneficial insects that improve both pest control and pollination.

2) Clean up plastic in your neighbourhood or local park:

25/04/2023- Time (10.30 to 11.30 am)

Marutirao Gaikwad Garden, Aundh.

Cleanliness is a great way to connect with the earth. Take a walk with a trash bag and help clean up any plastic you find.

The global organizer of Earth Day and the largest recruiter of environmental movements worldwide, announced today the theme for- **Earth Day 2023: Invest in our Planet, Protect our Future.**

Report:

On the occasion of Earth Day, a tree plantation drive was conducted in our college on 22th April 2023. The event was organized by the Department Of Geography on 24th April 2023. The aim of the drive was to raise awareness among students about the importance of trees for the environment and to encourage them to participate in activities that help protect the planet. The event started with teachers apprising students on the benefits of planting trees, such as reducing air pollution and native plants that can provide food for local wildlife. Then, the students, along with the teachers, proceeded to plant saplings in the Vitthal Mandir Premises, Aundh. Native plant species provide the keystone elements for ecosystem restoration. Native plants help to increase the local population of native plant species, providing numerous benefits. There are specific associations of mycorrhizae with plants, invertebrates with woody debris, pollinators with flowers, and birds with structural habitat that can only be rebuilt by planting native plants. Students were divided into groups, and each group was assigned a specific area for plantation. The students enthusiastically participated in the drive, and with the help of the forest officials and teachers, they planted around 30 saplings wild flowers in and around the Vitthal Mandir premises. They were also taught how to take care of the plants, and were encouraged to visit the site regularly to monitor their growth and development.

The tree plantation drive conducted in our college was a great success, and it helped create awareness among students about the importance of trees for our environment. It also encouraged them to actively participate in such events and take steps towards a greener future. The Department Of Geography to organize more such events in the future, with the aim of creating a sustainable and eco- friendly environment.

Blood Donation camp (रक्तदान शिबिर)

Notice

10/12/2022

On behalf of the National Service Scheme Department of the college, on the occasion of the birthday of **Mr. Sharadchandraji Pawar, President of Ryat Shikshan Sanstha**, A blood donation camp has been organized on **Saturday 17/12/2022** from 8.30 am to 01.00 pm. However, we will help the needy by donating blood in maximum number.

You may not be able to donate blood, but you can send this appeal to many people and inspire them to donate blood. People who have no doubts about donating blood do not go to donate blood due to these difficulties. Therefore, the blood bank is experiencing a serious shortage of blood. The hospital provides blood donation services to needy patients. Moreover, **every person who donates blood there gets a certificate, a bottle of water and a bag of blood on priority** if needed in years.

In this camp we will take the following precautions to prevent the blood donors from getting infected with Corona virus:

- 1) Sanitizer for all who come to donate blood.
- 2) Examination of each person with thermal gun, oximeter.
- 3) Blood-collection area large enough and ventilated, with adequate physical distance.
- 4) The responsibility of blood-testing, blood-collection is on informed medical officers of Sassoon Blood Bank.

Please register your participation in the said camp by donating blood in large numbers.

Briefing of Programme-

We are very glad to inform you that the lecture on "Lecture on Health and Fitness of Women" on the occasion of International Women's Day for the students has been completed successfully. The Activity took place for 2 Hours of a day on 8/03/2023 at 10:00 am. Altogether 67 participants enrolled their names for this Program.

The chief guest of the event Hon'ble Ms. Shweta Kulkarni explained the importance of International Women's Day and she said, on the occasion of 1975 International Women's Year, United Nations decided to celebrate International Women's Day. In 1977, a committee of the United Nations called upon various members to celebrate March, 8th internationally for the purpose of women's rights and world peace, and accordingly, International Women's Day is celebrated all over the world. She said health and fitness for women depend upon the positive thinking and proper exercise of body is very important.

President of the program Principal Dr. Arun Andhale said International Women's Day on March 8, 1911 was particularly remarkable with the participation of more than one million people from Austria, Denmark, Germany and Switzerland. Almost 300 demonstrations took place in the Austro-Hungarian Empire alone. They made demands that women should get the right to vote, they should get government jobs. Altogether 67 students were present for the program.

Mrs. Asawari Shewale, introduced the program. Dr. Bhimrao Patil gave vote of thanks. Dr. Dhananjay Bhise compared the entire program.
