Perspective Plan of Multidisciplinary Education

Sr. No	Name of Program	Possible MoUs	Justification
1.	M.A (Marathi) Research Centre	Other Department	As the department has post -graduation
2	M.Com I) Research Centre II) E-Commerce	Other Department 1] Any industry working in E-Commerce 2] Mitcon Pvt Ltd.	*As the department has Post- graduation. *Since Covid-19, the entire globe was at Virtual level. During, the E-commerce trade flourished. Similarly, Pune city is a hub of IT sector. So, in order to en cash the opportunities, E-commerce field will be or great use to students. This is an employability skill that could help to place the students.
3	B.Sc(Computer Science) - UG	IT Companies nearby IT Companies	*Our institution has science at Junior level. Earlier, science stream was on grantable basis. But later, it discontinued. However, we have a Set-up of computer lab. So, by commencing B.Sc in Computer Science, we can revive the science stream at U.G level.

4	B.Sc / B.Voc Nursing	1]AIMS Hospital 2]Poona Hospital 3]Sasoon Hospital	Now a day, paramedical courses are instrumental in perception of employability. We have science stream at junior level. So, we can offer multidisciplinary option to the students in paramedical field. So we aspire to commence B.Voc in "Nursing."
5	B.Sc / B.Voc in Physiotherapy	1]AIMS Hospital,Pune 2]Poona Hospital,Pune 3]Sasoon Hospital,Pune	Paramedical courses are instrumental for employability. To revive science stream at UG level, Physiotherapy is of great help. Due to demarcations of infrastructure, "Physiotherapy" would be useful for students which can run on minimal facilities. Our students are from marginalised community, so such paramedical courses will be a tool of an employability for them
6	Short Term Courses – connect to authorised institutions e.g. University degrees/Courses	A Relevant to Syllabus	*Our institution has several skill-Based short-term courses. These courses are taught at Certificate (Level-1), Diploma (Level-2)and Advanced Diploma (Level-3) under Karmveer Vidya Prabhodini, Satara. However, we need the stamp of authority like Savitribai Phule Pune University, Pune or any such relevant government body. In addition we have to add "Internship" programme in each short-term course.
7	B.Voc in Visual Arts Lib-Lit	Shri Bhaskar Hande	*Our institution runs "Certificate" course in visual Arts "Lib-Lit" under the able guidance of magnificent international artist Hon. Bhaskar Hande from the academic year 2022-23. At present, the concerned course is at certificate level. Shri Bhaskar Hande has offered his own museum as a Laboratory for the course wherewhich students can carry out their practical. Similarly, it is nearer to our college. Apart from this, the "Vitthal Temple" (City Serve No 69) will be used as one more social Laboratory for the same course. The concept is that we will paste Bhaskar Hande's painting on the wall of Vittal Temple.
8	B.Com (IT)Should be started	Any Relevant Company	*The commerce stream has full-fledged student-stake holders. Now-a-day, IT sector has an outstanding opportunity in Pune city. Amid Covid-19, this sector emerged prosperously. Keeping this view, we aspire to commence B.Com in IT. It will help students to get placed in IT Companies or industries.
