Women Development Cell

The Women Development Cell in our College is established to empower girl students and staff and to face understand the issues related to women in the society and the challenges they with great courage. The goal of the cell is to bring change, development and empowerment among women. The Cell functions rigorously to enhance their status and empower them through Guest lectures, Seminars, Workshops, Various awareness Programmes and other welfare activities.

Objectives-

1. To promote a culture of respect and equality for female gender.
2. To conduct guest lectures, seminars and workshops to impart knowledge of opportunities and tools available and train the women.
3. To create a conducive counselling environment for students to share their problems.
4. To sensitize the college community on the need for empowerment of women.
5. To enable the college community, understand the role of everyone in empowering women students.
6. To help women and men students understand their strength and potential.
7. To educate girl students on women specific health issues and measures to be taken.
8. The cell is also responsible to undertake the awareness programs on gender sensitization, women rights and women empowerment.

Outcomes-

1. WDC aims to help students to become more sensitive towards gender issues and treat each other with mutual respect and equality.

2. Spread awareness among the students about the social, legal and constitutional rights of women in order to prevent the exploitation based on gender.
3. Provide equal career opportunities to all the genders.
4. Women's economic participation and their ownership and control of productive assets speeds up development, helps overcome poverty, reduces inequalities and improves student's nutrition, health, and school attendance.
5. The health awareness camps helped women to identify their health issues at earlier stage.
